

**Sites in Opportunity Zones
Summary
of**

Indiana Brownfields Program Support

(after Tax Cuts and Jobs Act enacted 12-22-2017 through 9-30-2021)

Based on filtering by GIS mapping of Brownfield site locations,¹ there are 810 Indiana Brownfield Program (Program) sites in the 156 Indiana Opportunity Zone (OZ) census tracts. Below summarizes the type of Program support/assistance in OZs.

1. Financial Assistance

Funding Source*	Phase I Initiative (5 sites)	SEP (10 sites)	POSI (15 sites)	RLF Incentive Subgrant (4 sites)	128(a) (3 sites)	Assessment Grant (1 site)	Remediation Grant (1 site)
Disbursed Amount	\$6,025	\$129,525	\$2,000,533	\$1,256,391	\$143,006	\$265,899	\$133,547

TOTAL \$3,934,926

¹ This number is an estimate due to inaccuracy of a small number of Brownfield site GIS point locations.

2. Legal Assistance - Liability Clarification/Closure Letters

Comfort Letter	136
Site Status Letter	20
No Further Action Letter	6

3. Technical Assistance and Other Program Support

Comment Letter	51
Petroleum Eligibility Letter	38
BF Determination Letter	6
EPA Support Letter	3

*Funding Source definitions:

Phase I Initiative = Phase I Environmental Site Assessment (ESA) Initiative

SEP = Supplemental Environmental Project

POSI = Petroleum Orphan Sites Initiative

RLF Incentive = Revolving Loan Fund (RLF) monies from U.S. EPA used for Subgrants and/or Loans

128(a) = Program monies from U.S. EPA that can be used for site-specific activities

Assessment Grant = Old state grant funding to communities

Remediation Grant = Old state grant funding to communities
